<sup>2</sup> The Preliminary Injunction was initially entered on October 11, 2019, became final on November 6, 2019, *see* Second Amended Order Pursuant to 11 U.S.C. § 105(a) Granting Motion For a Preliminary Injunction, *Purdue Pharma L.P. v. <sup>3</sup> Of these amounts, \$898 million to \$1.398 billion is to be paid into the estate, and \$276.9 million is to be paid directly to a supplemental opioid abatement fund (the “**SOAF**”) established, structured, and administered by the Nine. Funds in the SOAF will be devoted exclusively to opioid-related abatement, including support and services for survivors, victims, and their families.

Actual and Necessary Expenses

17. As set forth in Exhibit E hereto, Davis Polk has incurred or disbursed \$100,555.44 in expenses in providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover Davis Polk's direct operating costs, which costs are not incorporated into the Davis Polk hourly billing rates. Only clients for whom the services

are actually used are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would unfairly impose additional costs upon clients who do not require extensive photocopying, delivery, and other services. Davis Polk charges its bankruptcy clients \$0.10 per page for photocopying and printing job expenses. On several occasions, overnight delivery of documents and other materials were required as a result of circumstances necessitating the use of such express services.

18. Regarding providers of online legal research (e.g., LexisNexis and Westlaw), Davis Polk charges all of its clients the standard usage rates these providers charge, which, due to contractual flat fees, may not always equal Davis Polk's actual cost. Davis Polk currently is under contract to pay these providers a flat fee every month. Charging its clients the online providers' standard usage rates allows Davis Polk to cover adequately the monthly flat fees it must pay to these types of providers.

19. Davis Polk has made every effort to minimize its expenses in the chapter 11 cases. The actual expenses incurred in providing professional services to the Debtors were necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors, their estates, and other parties in interest.

**Davis Polk's Requested Compensation and Reimbursement Should Be Allowed**

20. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered ... and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including –

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (e) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

21. The foregoing professional services were performed by Davis Polk in an efficient manner, were necessary and appropriate to the administration of the chapter 11 cases, and were in the best interests of the Debtors, their estates, and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved. As required by the U.S. Trustee guidelines, annexed hereto as **Exhibit F** is a chart setting forth the comparative blended rates of the professionals and paraprofessionals who rendered services with a corresponding comparison of rates for professionals and paraprofessionals not involved in these chapter 11 cases.

### **Notice**

22. The Debtors will provide notice of this Application in accordance with the Interim Compensation Order. The Debtors submit that no other or further notice be given.

*[Remainder of Page Left Blank Intentionally]*

WHEREFORE, Davis Polk, in connection with services rendered on behalf of the Debtors, respectfully requests allowance of reasonable compensation of such services rendered in the total amount of \$5,992,845.00 and reimbursement of actual and necessary expenses incurred in the amount of \$100,555.44, for an aggregate total of \$6,093,400.44 for the Fee Period.

I, Marshall S. Huebner, hereby certify that:

1. I am an attorney admitted into practice in the State of New York and a partner at the law firm of Davis Polk & Wardwell LLP (“**Davis Polk**”), located at 450 Lexington Avenue,

<sup>1</sup> The Debtors in these cases, along with the last four digits of each Debtor’s registration number in the applicable jurisdiction, are as follows: Purdue Pharma L.P. (7484), Purdue Pharma Inc. (7486), Purdue Transdermal Technologies L.P. (1868), Purdue Pharma Manufacturing L.P. (3821), Purdue Pharmaceuticals L.P. (0034), Imbrrium Therapeutics L.P. (7425), Quidnick Land L.P. (7584), Rhodes Pharmaceuticals L.P. (6166), Rhodes Technologies (7143), UDF LP (0495), SVC Pharma LP (5717) and SVC Pharma Inc. (4014). The Debtors’ corporate headquarters is located at One Stamford Forum, 201 Tresser Boulevard, Stamford, CT 06901.

New York, New York. I am familiar with the work performed on behalf of the above-captioned debtors and debtors in possession (“**Debtors**”) by Davis Polk.

2. I have reviewed the *Ninth Interim Application of Davis Polk & Wardwell LLP for Compensation for Services Rendered and Reimbursement of Expenses Incurred as Counsel to the Debtors and Debtors in Possession for the Period from May 1, 2022 through August 31, 2022* (the “**Application**”) to certify to certain matters addressed in the (i) *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* entered on November 21, 2019 [ECF No. 529] (the “**Interim Compensation Order**”), (ii) Rule 2016-1 of the Local Rules of Bankruptcy Procedure, incorporating the *Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York Bankruptcy Cases* [General Order M-447], among other guidelines (the “**Local Guidelines**”), and (iii) The United States Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases effective as of November 1, 2013 (the “**U.S. Trustee Guidelines**,” and together with Local Guidelines, the “**Fee Guidelines**”).<sup>2</sup> The Application covers the period May 1, 2022 through August 31, 2022 (the “**Fee Period**”).

3. To the best of my knowledge, information and belief, the statements contained in the foregoing Application are true and accurate in all material respects and comply with the Fee Guidelines in material part. Davis Polk responds to the questions identified in the U.S. Trustee Guidelines as follows:

**Question 1:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Interim Compensation Order.

engagement that were provided during the application period? If so, please explain.

Answer: Davis Polk has agreed to negotiated discounts off of its standard rates.

Question 2: If the fees sought in the Application as compared to the fees budgeted for the time period covered by the Application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: Because of the contemplated effective date and exceptional nature of activities during the Fee Period, there was no written budget for the Fee Period. However, Davis Polk engaged in ongoing discussions with the Debtors regarding budgeting and staffing issues and provided the Debtors with fee estimates for various scenarios following resolution of the Appeal. As the Second Circuit did not issue a decision during the Fee Period, the fees sought in the Application are substantially less than the estimated fees in any post-Appeal scenario.

Question 3: Have any of the professionals included in the Application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: As disclosed in the Retention Application, no.

Question 4: Does the Application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices?

Answer: The Application includes time and fees related to reviewing or revising time records or preparing, reviewing, or revising invoices in connection with the preparation of four monthly fee statements relating to the Fee Period covered by the Application. Davis Polk is seeking compensation for approximately 187.5 hours and \$129,319.00 in fees related to reviewing and revising time records with respect to both the preparation of such fee applications, and reviewing time records for redactions as queried in question 5, which collectively represents approximately 2.1% of the aggregate amount of the fees requested.

Question 5: Does the Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify hours and fees.

Answer: The Application includes time and fees related to reviewing time records to redact any privileged or other confidential information. Such charges are included in the time charges set forth in the response to question 4 and are not separately calculated.

Question 6: Did the Application include any rate increases since retention in these cases?

Answer: The Application includes a single customary annual rate increase for all timekeepers as disclosed in a supplemental declaration filed on the Court docket at ECF No. 4259.

Question 7: Did the client agree when retaining Davis Polk to accept all future rate increases? If not, did Davis Polk inform the client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: The client was informed regarding Davis Polk's rates and future rate increases as part of its approval of Davis Polk's retention application.

4. By this Application, and pursuant to section 327(a) of title 11 of the Bankruptcy Code, Rules 2014(a) and 2016(b) of the Bankruptcy Rules and Rules 2014-1 and 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the “**Local Rules**”), the Debtors seek entry of an order (the “**Proposed Order**”) authorizing the Debtors to employ and retain Davis Polk & Wardwell LLP (“**Davis Polk**”) as their restructuring counsel *nunc pro tunc* to the Petition Date to perform the legal services that will be required during the Chapter 11 Cases. The Debtors request that the United States Bankruptcy Court for the Southern District of New York (the “**Court**”) approve the employment of Davis Polk under the terms and conditions set forth in this Application, as more fully described in the Huebner Declaration and the Kesselman Declaration.

**Basis for Relief**

5. The Debtors have been informed that the Davis Polk attorneys who will be engaged in the Chapter 11 Cases are admitted to practice before the Court or shall, as necessary, seek to be admitted, *pro hac vice*.

6. The Debtors have selected Davis Polk as their restructuring counsel because of the firm's extensive experience and knowledge in both corporate transactional work and litigation. Davis Polk has been actively involved in a wide variety of major chapter 11 cases, including (in the last three years): *In re Southcross Energy Partners L.P.*, Case No. 19-10702 (MFW) (Bankr. D. 7. Davis Polk is intimately familiar with the Debtors' businesses and financial affairs and is well-qualified to provide the services required by the Debtors in the Chapter 11 Cases. Davis Polk has provided extensive advice to the Debtors since March 2018 on a broad array of matters and has performed services necessary to enable the Debtors to file for protection under chapter 11. Davis Polk, along with PJT Partners LP, AlixPartners, LLP and the Debtors, has been primarily responsible for the Debtors' preparation for the Chapter 11 Cases. Accordingly, Davis Polk has significant relevant experience with the Debtors to deal effectively and efficiently with the primary legal issues and problems likely to arise in the context of the Chapter 11 Cases.

8. The Debtors believe that Davis Polk is both well-qualified and uniquely able to represent them in the Chapter 11 Cases in an efficient and effective manner. If the Debtors are required to retain restructuring counsel other than Davis Polk in connection with the prosecution of their Chapter 11 Cases, the Debtors, their estates and all parties in interest will be unduly and materially prejudiced, including by the time and substantial expense necessary to enable other counsel to become familiar with the Debtors' businesses, operations and restructuring needs. The Debtors, therefore, request that the Court authorize Davis Polk to represent the Debtors.

#### Scope of Services

9. The services of Davis Polk are appropriate and necessary to enable the Debtors to execute their duties as debtors and debtors in possession faithfully and to implement the restructuring of the Debtors. Subject to further order of the Court, the Debtors propose to

employ Davis Polk to render such legal services as may be requested by the Debtors and able to be performed by Davis Polk, including, without limitation:

- (a) preparing, on behalf of the Debtors, as debtors in possession, all necessary or appropriate motions, applications, objections, replies, answers, orders, reports and other papers in connection with the administration of the Debtors' estates;
- (b) counseling the Debtors with regard to their rights and obligations as debtors in possession and their powers and duties in the continued management and operation of their businesses and properties;
- (c) providing advice, representation and preparation of necessary documentation and pleadings and taking all necessary or appropriate actions in connection with statutory bankruptcy issues, strategic transactions, asset sale transactions, real estate, intellectual property, employee benefits, business and commercial litigation, corporate and tax matters, and prosecution and settlement of claims both against and by the Debtors;
- (d) taking all necessary or appropriate actions to protect and preserve the Debtors' estates, including the prosecution of actions on the Debtors' behalf, the defense of any actions commenced against the Debtors, the negotiation of disputes in which the Debtors are involved and the preparation of objections to claims filed against the Debtors' estates;
- (e) taking all necessary or appropriate actions in connection with any chapter 11 plan, all related disclosure statements and all related documents and such further actions as may be required in connection with the administration of the Debtors' estates; and

(f) acting as general restructuring counsel for the Debtors and performing all other necessary or appropriate legal services in connection with the Chapter 11 Cases.

**Compensation**

10. For the services rendered by Davis Polk, the Debtors propose to pay Davis Polk the applicable rates for timekeepers on this matter set forth in the Huebner Declaration and to reimburse Davis Polk according to its customary reimbursement policies, and the Debtors respectfully submit that such rates and policies are reasonable. Davis Polk adjusts its rates periodically, generally on or around January 1 of each year.

11. As set forth in the Huebner Declaration, prior to the Petition Date, on September 27, 2018, February 25, 2019, April 16, 2019, and September 9, 2019, the Debtors provided Davis Polk with advance payments of \$2,000,000, \$2,000,000, \$2,000,000 and \$3,000,000, respectively, to establish and maintain a retainer, the current balance of which is approximately \$5,115,859.35 (collectively, the “**Retainer**”) in connection with, and in contemplation of, the Chapter 11 Cases. Additionally, Davis Polk has submitted invoices to the Debtors, applied the Retainer towards Davis Polk’s invoiced services and fees and has subsequently sought and received replenishment of the Retainer by the Debtors. The Debtors propose that the remainder of the Retainer be treated as an evergreen retainer and held by Davis Polk as security throughout the Chapter 11 Cases.

12. The Debtors understand that, in connection with the reimbursement of reasonable and necessary expenses, it is Davis Polk’s policy to charge its clients for certain expenses incurred in connection with providing certain client services, including travel, meals, lodging, photocopying, postage, vendor charges, delivery service and other expenses incurred in providing professional services.

13. Davis Polk will be required to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Chapter 11 Cases in compliance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, Local Rules and any other applicable procedures and orders of the Court. The Debtors understand that Davis Polk intends to make reasonable efforts to comply with the Office of the United States Trustee for Region 2's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective November 1, 2013* (the "UST Guidelines"), in connection with any interim and final fee applications to be filed by Davis Polk in the Chapter 11 Cases.

**Davis Polk's Disinterestedness**

14. The Debtors have reviewed the Huebner Declaration and, to the best of the Debtors' knowledge, Davis Polk and its professionals (a) are "disinterested" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, and, as required by section 327(a) and referenced by section 328(c) of the Bankruptcy Code, neither hold nor represent any interest adverse to the Debtors or their estates and (b) except as disclosed in the Huebner Declaration, have no relevant and disabling connection to the Debtors, their significant creditors or certain other potential parties in interest whose names were supplied to Davis Polk by the Debtors.

15. Davis Polk has informed the Debtors that it will conduct an ongoing review commencing on or around each April 1 and October 1 that occurs during the Chapter 11 Cases to ensure that no disqualifying circumstances have arisen and that, if any new facts that Davis Polk believes should be disclosed to the Court and the parties in interest in the Chapter 11 Cases are discovered, Davis Polk will file a supplemental disclosure with the Court and serve such

supplemental disclosure on the U.S. Trustee. If any new material and relevant facts are discovered between the aforementioned semi-annual review periods, the Debtors understand that Davis Polk will promptly file a supplemental disclosure with the Court and serve such supplemental disclosure on the U.S. Trustee.

**Nunc Pro Tunc Relief Is Appropriate**

16. Pursuant to the Debtors' request, Davis Polk has agreed to serve as restructuring counsel for the Debtors on and after the Petition Date with assurances that the Debtors would seek approval of its employment and retention *nunc pro tunc* to the Petition Date, so that Davis Polk may be compensated for its pre-Application services. The Debtors believe that no party in interest will be prejudiced by the granting of the *nunc pro tunc* employment, as provided in this Application, because Davis Polk has provided and continues to provide valuable services to the Debtors' estates in the interim period. The Local Rules empower courts in this district to approve *nunc pro tunc* employment, and the Debtors submit that such approval is justified here.

**Notice and No Prior Request**

17. Notice of this Application will be provided to: (a) the entities on the Master Service List (as defined in the Case Management Order and available on the Debtors' case website at <https://restructuring.primeclerk.com/purduepharma>) and (b) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the "**Notice Parties**").

18. A copy of this Application and any order approving it will also be made available on the Debtors' Case Information Website located at <https://restructuring.primeclerk.com/purduepharma>. Based on the circumstances surrounding this Application and the nature of the relief requested herein, the Debtors respectfully submit that no further notice is required.

19. The Debtors have not previously sought the relief requested herein from the Court or any other court.

*[Remainder of Page Intentionally Left Blank]*

WHEREFORE, the Debtors respectfully request that the Court enter the Proposed Order, substantially in the form attached hereto as **Exhibit C**, granting the relief requested herein and such other and further relief as the Court deems just and proper.

retain Davis Polk as their restructuring counsel in the Chapter 11 Cases *nunc pro tunc* to the Petition Date at rates set forth below and in accordance with the Firm's normal reimbursement policies, (b) in compliance with sections 329 and 504 of the Bankruptcy Code and (c) to provide the disclosure required under Bankruptcy Rules 2014(a) and 2016(b) and Local Rules 2014-1 and 2016-1. Unless otherwise stated in this Declaration, I have personal knowledge of the facts set forth herein.

3. To the extent it is brought to my attention that any information disclosed herein requires amendment or modification upon Davis Polk's completion of further review or as additional party in interest information becomes available to it, I intend to file a supplemental declaration reflecting such amended or modified information.

4. Subject to the qualifications herein and to the best of my knowledge, neither I, Davis Polk, nor any partner, counsel or associate of the Firm represents any entity other than the Debtors in connection with the Chapter 11 Cases. In addition, except as set forth herein, to the best of my knowledge, after an inquiry conducted by associates and others working under my ultimate supervision, neither I, Davis Polk, nor any partner, counsel or associate of the Firm represents any party in interest in the Chapter 11 Cases in matters related to the Chapter 11 Cases.

5. Davis Polk has in the past represented, currently represents or may in the future represent, in matters unrelated to the Chapter 11 Cases, entities that are potential claimants or interest holders of the Debtors. Davis Polk, which employs more than 900 attorneys, has a large and diversified legal practice that encompasses the representation of many financial institutions and commercial corporations. Some of those entities are, or may consider themselves to be,

creditors or parties in interest in the Chapter 11 Cases or to otherwise have interests in the Chapter 11 Cases.

6. In preparing this Declaration, I relied on information brought to my attention pursuant to procedures Davis Polk has used to evaluate compliance with the requirements of the Bankruptcy Code and the Bankruptcy Rules regarding the employment and retention of professionals by a debtor under the Bankruptcy Code (the “**Internal Review Procedures**”). Pursuant to the Internal Review Procedures, the Firm has taken the following actions to identify parties relevant to this Declaration and to ascertain Davis Polk’s connection to such parties:

(a) A list of the Debtors, their affiliates and other potential parties in interest in the Chapter 11 Cases (as set forth on **Schedule 1** hereto, the “**Potential Parties In Interest**”) was created by the Debtors upon review of their records and in consultation with Davis Polk attorneys.

(b) Davis Polk compared each of the Potential Parties In Interest to the Firm’s master records database from its conflict clearance and billing records, by searching all clients and former clients going back two years for any matters that have been opened or closed (the “**Records Database**”). The Records Database includes the name of each current or former client and, for each significant current or former matter for each client or former client, the names of the Davis Polk personnel identified at the time such matter was opened as responsible for such matter and, in most instances, the names of certain other material parties directly relevant to such matter. It is Davis Polk’s policy that no new matter may be accepted or opened without completing and submitting to those charged with maintaining the Records Database the information necessary to check each such matter for conflicts, including the identity of the prospective client, the matter and

other relevant parties. Accordingly, the Records Database is regularly updated for every new client retaining Davis Polk and significant matters undertaken for each such client.

(c) Any matches between the Records Database and the list of Potential Parties In Interest, where a Potential Party In Interest was listed as a client of Davis Polk, were identified (the “**Client Match List**”).

(d) An attorney then reviewed the Client Match List and deleted individuals or entities that Davis Polk does not currently represent and has not represented in the last two years. The remaining individuals or entities are set forth on **Schedule 2** attached hereto.

(e) A general inquiry was sent to all Davis Polk attorneys by email asking whether any of them or their immediate family members (spouse, domestic partner, minor children or family member living in his or her household) (i) owns any debt or equity securities of any of the Debtors, (ii) holds a claim against any of the Debtors, (iii) is or was an officer, director or employee of any of the Debtors, (iv) is related to or has any business or familial connections to any Bankruptcy Judge in the Southern District of New York or person at the Office of the United States Trustee for the Southern District of New York or (v) is aware of any representation by Davis Polk of the Debtors in any capacity and such attorney has not previously been contacted by the attorneys conducting the Internal Review Procedures.

7. Any parties identified as a client that Davis Polk represents or has represented within the last two years were reviewed by an attorney working under my supervision. Based upon such review, Davis Polk believes that it is a “disinterested person,” as such term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy

Code, and, as required by section 327(a) and referenced by section 328(c) of the Bankruptcy Code, neither holds nor represents any interest adverse to the Debtors or their estates, in that Davis Polk, its partners, counsel and associates:

- (a) are not creditors, equity security holders or insiders of the Debtors;
- (b) are not and were not, within two years before the date of the filing of the Debtors' chapter 11 petitions, a director, officer or employee of the Debtors; and
- (c) do not hold or represent any interest that is materially adverse to the interests of the Debtors' estates, any class of creditors or equity security holders of the Debtors, by reason of Davis Polk's direct or indirect relationship to, connection with, or interest in, the Debtors or for any other reason, other than as set forth herein.

8. Disclosure of any connections Davis Polk has or has had with the Debtors or any Potential Parties In Interest, insofar as I know or have been able to ascertain after reasonable inquiry, is set forth below:

- (a) Since March 2018, Davis Polk has advised the Debtors on a wide variety of matters and has performed services necessary to enable the Debtors to file for protection under chapter 11. Davis Polk, along with PJT Partners LP, AlixPartners, LLP and the Debtors, has been primarily responsible for the Debtors' preparation for the Chapter 11 Cases.
- (b) Davis Polk previously has represented within the last two years and/or currently represents, and may continue to represent in the future, the Potential Parties in Interest on **Schedule 2** (or their affiliates) in matters unrelated to the Debtors. The list attached hereto as **Schedule 2** is the product of implementing the Internal Review Procedures. Davis Polk does not and will not represent any of the entities listed on

**Schedule 2** in matters related to the Chapter 11 Cases. To the best of my knowledge and information, with the exception of the entities identified in subparagraph (c) below and their affiliates, none of the entities listed on **Schedule 2** (each together with its respective affiliates) was the source of more than 1% of Davis Polk's revenues for the 12 months ended December 31, 2018.

(c) Four of the Potential Parties In Interest, together with their affiliates, accounted for more than 1% of Davis Polk's revenues during the 12 months ended December 31, 2018. Davis Polk represents Citibank, Goldman Sachs, JPMorgan Chase and Wells Fargo (collectively, the "**1% Potential Parties In Interest**") in various matters. Davis Polk has never represented the 1% Potential Parties In Interest in any matters related to the Debtors. Davis Polk has considered the positions of the 1% Potential Parties In Interest in the Chapter 11 Cases and has concluded that Davis Polk's representation of the Debtors does not create any conflict of interest with the 1% Potential Parties In Interest.

(d) Davis Polk represents Rakesh Kapoor, until recently the CEO of Reckitt Benckiser Group, in connection with a shareholder class action in which Mr. Kapoor is a named executive and certain related matters. In early 2019, Indivior Inc., a former subsidiary of Reckitt Benckiser Group, settled an action regarding alleged patent infringement with Debtor Rhodes Pharmaceuticals L.P. Davis Polk was not involved in the litigation or settlement of such patent infringement action on behalf of Mr. Kapoor, Reckitt Benckiser or Indivior in connection with such settlement, which was consummated in May 2019.

(e) Partners, counsel and associates of Davis Polk, including attorneys who may be engaged in Davis Polk's representation of the Debtors, may have been employed by various Potential Parties In Interest (including various governmental agencies such as the Internal Revenue Service (the "IRS")) or, when previously employed by other law firms or professional services firms, may have performed services for various Potential Parties In Interest. I do not believe any such connections would in any way affect Davis Polk's ability to represent the Debtors effectively.

(f) It is possible that former Davis Polk attorneys are, or were, after leaving Davis Polk, affiliated with various Potential Parties In Interest. However, I do not believe any such connection would in any way affect Davis Polk's ability to represent the Debtors effectively.

(g) As part of its practice, Davis Polk regularly represents lenders, underwriters and other parties in litigation and corporate transactions, such as debt and equity issuances and/or credit facilities, including transactions and litigations alongside or involving Potential Parties In Interest. Davis Polk does not believe these representations would in any way affect Davis Polk's ability to represent the Debtors effectively.

(h) Various Davis Polk associates are seconded to the legal departments of Davis Polk clients for several months, some of whom are, or are affiliates of, Potential Parties In Interest. However, I do not believe such connections would in any way affect Davis Polk's ability to represent the Debtors effectively.

(i) Based on responses to an email sent to every attorney in the Firm, I am not aware of any Davis Polk attorney who owns, or whose immediate family members own, the Debtors' stock or who are creditors of the Debtors.

(j) Davis Polk attorneys invest in a broad array of mutual funds and ETFs, some of which either do currently or may in the future own securities of the Potential Parties In Interest (the Debtors have no issued securities). However, I do not believe such connections would in any way affect Davis Polk's ability to represent the Debtors effectively.

(k) Davis Polk appears in cases, proceedings and transactions involving many different attorneys, accountants, financial consultants and investment bankers, some of which Davis Polk has represented in the past, represents now or may represent in the future, or may be claimants or other parties in interest in the Chapter 11 Cases. Davis Polk is not aware of any relationship it has with any such attorneys, accountants, financial consultants and investment bankers that would be adverse to the Debtors or their estates.

(l) It is possible that certain Potential Parties In Interest have provided, and in some cases continue to provide, services to Davis Polk. I do not believe any such connections would compromise Davis Polk's ability to effectively represent the Debtors.

(m) As part of its practice, Davis Polk regularly represents clients before, or in connection with inquiries from, governmental agencies, including, but not limited to, the IRS. However, I do not believe any such connections would compromise Davis Polk's ability to represent the Debtors effectively.

(n) In addition to the foregoing, after reasonable inquiry, I do not believe there is any connection between Davis Polk and the U.S. Trustee or any person known by me to be employed as an attorney with the Office of such U.S. Trustee.

None of the above relationships constitute an actual conflict, but such relationships may be "connections" within the meaning of Bankruptcy Rule 2014 and, therefore, are disclosed.

9. Davis Polk will conduct an ongoing review of its files commencing on or around each April 1 and October 1 that occurs during the Chapter 11 Cases to ensure that no disqualifying circumstances have arisen. If any new facts that Davis Polk believes should be disclosed to the Court and the parties in interest in the Chapter 11 Cases, Davis Polk will file a supplemental disclosure with the Court and serve such supplemental disclosure on the U.S. Trustee. If any new material and relevant facts are discovered between the aforementioned review periods, Davis Polk will promptly file a supplemental disclosure with the Court and serve such supplemental disclosure on the U.S. Trustee.

10. In the 12 months prior to the Petition Date, Davis Polk received payments from the Debtors totaling \$37,352,524.59 in connection with legal work related to a wide variety of matters, including restructuring, litigation and corporate governance. An accounting summary of payments invoiced or to be invoiced and received by Davis Polk in the ninety (90) day period prior to the Petition Date is set forth on **Schedule 3** hereto. On September 27, 2018, February 25, 2019, April 16, 2019, and September 9, 2019, the Debtors provided Davis Polk with advance payments of \$2,000,000, \$2,000,000, \$2,000,000 and \$3,000,000, respectively, to establish a retainer, the current balance of which is approximately \$5,115,859.35 (collectively, the “Retainer”) for professional services to be rendered and expenses to be incurred by Davis Polk on or after such dates. Additionally, Davis Polk has submitted invoices to the Debtors, applied the Retainer towards Davis Polk’s invoiced services and fees and has subsequently sought and received replenishment of the Retainer by the Debtors. As of the filing of the Chapter 11 Cases, Davis Polk was not a creditor of the Debtors. Upon Court approval, the balance of the Retainer will be held by Davis Polk as an evergreen retainer during the pendency of the Chapter 11 Cases.

As of the Petition Date, the Debtors do not owe Davis Polk any fees for professional services performed or expenses incurred.

11. As of the Petition Date, the applicable rates for timekeepers on this matter were \$1,295 to \$1,645 per hour for partners, \$1,225 per hour for counsel, \$525 to \$1,075 per hour for associates and \$305 to \$425 per hour for paraprofessionals. Davis Polk adjusts its rates periodically, generally on or around January 1 of each year.

12. It is Davis Polk's policy to charge its clients for certain expenses incurred in connection with providing certain client services, including, without limitation, travel, lodging, photocopying, postage, vendor charges, delivery service and other expenses incurred in providing professional services. Davis Polk intends to seek reimbursement for expenses and disbursements incurred in connection with the representation of the Debtors in accordance with Davis Polk's policies and in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the UST Guidelines and any applicable order of the Court.

13. No promises have been received by Davis Polk, or, to the best of my knowledge after due inquiry, any partner, counsel or associate thereof, as to payment or compensation in connection with the Chapter 11 Cases other than in accordance with the provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules. Davis Polk has no agreement with any other entity to share with such entity any compensation received by Davis Polk or by such entity.

14. To the best of my knowledge, no partner, counsel or associate of Davis Polk is a relative of, or has been so connected with, any United States Bankruptcy Judge for the Southern District of New York, the United States Trustee for Region 2, the Assistant United States Trustee for the Southern District of New York, the attorney for the U.S. Trustee assigned to the Chapter

11 Cases or any other employee of the U.S. Trustee. Accordingly, I understand that the appointment of Davis Polk is not prohibited under Bankruptcy Rule 5002.

15. The foregoing constitutes the statement of Davis Polk pursuant to sections 327(a), 329 and 504 of the Bankruptcy Code, Bankruptcy Rules 2014(a) and 2016(b) and Local Rules 2014-1 and 2016-1.

**Attorney Statement Pursuant to UST Guidelines**

16. The following is provided in response to the request for additional information set forth in Section D.1 of the UST Guidelines:

**Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Answer: Davis Polk has agreed to negotiated discounts off of its standard rates.

**Question:** Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Answer: No.

**Question:** If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed post-petition, explain the difference and the reasons for the difference.

Answer: Prior to January 1, 2019, Davis Polk's rates for timekeepers for its prepetition engagement on this matter were \$1,175 to \$1,495 for partners, \$1,100 for counsel, \$475 to \$995 for associates and \$275 to \$385 for paraprofessionals. As agreed with the Debtors, and in connection with Davis Polk's annual rate increase, on January 1, 2019, Davis Polk's prepetition rates increased to \$1,295 to \$1,645 for partners, \$1,225 for counsel, \$525 to \$1,075 for associates and \$305 to \$425 for paraprofessionals. Davis Polk's billing rates have not changed postpetition.

**Question:** Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

Answer: Davis Polk intends to provide a prospective budget and staffing plan for the period from the Petition Date through January 15, 2020 to the Debtors

and will continue to work with the Debtors on the budget and staffing plan.

17. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct and that this Declaration was executed on November 5, 2019.

Case No. 19-23649 (RDD)

Jointly Administered

**DECLARATION OF MARC L. KESSELMAN IN SUPPORT  
OF APPLICATION OF THE DEBTORS FOR ENTRY OF AN ORDER AUTHORIZING  
THE DEBTORS TO EMPLOY AND RETAIN DAVIS POLK & WARDWELL LLP AS  
ATTORNEYS FOR THE DEBTORS NUNC PRO TUNC TO THE PETITION DATE**

Marc L. Kesselman, Purdue Pharma L.P.’s (“PPLP”, and together with its affiliates that are debtors and debtors in possession in these proceedings, the “Company” or “Purdue”) Senior Vice President, General Counsel and Corporate Secretary, in support of the *Application of Debtors for Authority to Employ and Retain Davis Polk & Wardwell LLP as Attorneys for the Debtors Nunc Pro Tunc to the Petition Date*, dated November 5, 2019 (the “Application”),<sup>2</sup> declares as follows:

1. I am Senior Vice President, General Counsel and Corporate Secretary of PPLP, a Delaware limited partnership headquartered in Stamford, Connecticut.

<sup>1</sup> The Debtors in these cases, along with the last four digits of each Debtor’s registration number in the applicable jurisdiction, are as follows: Purdue Pharma L.P. (7484), Purdue Pharma Inc. (7486), Purdue Transdermal Technologies L.P. (1868), Purdue Pharma Manufacturing L.P. (3821), Purdue Pharmaceuticals L.P. (0034), Imbrium Therapeutics L.P. (8810), Adlon Therapeutics L.P. (6745), Greenfield BioVentures L.P. (6150), Seven Seas Hill Corp. (4591), Ophir Green Corp. (4594), Purdue Pharma of Puerto Rico (3925), Avrio Health L.P. (4140), Purdue Pharmaceutical Products L.P. (3902), Purdue Neuroscience Company (4712), Nayatt Cove Lifescience Inc. (7805), Button Land L.P. (7502), Rhodes Associates L.P. (N/A), Paul Land Inc. (7425), Quidnick Land L.P. (7584), Rhodes Pharmaceuticals L.P. (6166), Rhodes Technologies (7143), UDF LP (0495), SVC Pharma LP (5717) and SVC Pharma Inc. (4014). The Debtors’ corporate headquarters is located at One Stamford Forum, 201 Tresser Boulevard, Stamford, CT 06901.

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Application.

2. I submit this declaration (the “**Declaration**”) (a) in connection with the Application wherein the Debtors seek entry of an order authorizing the Debtors to employ and retain Davis Polk as their restructuring counsel in the Chapter 11 Cases *nunc pro tunc* to the Petition Date.

**The Debtors’ Selection of Davis Polk**

3. It is my strong belief that it is critical to select restructuring advisors with the utmost care to maximize the value of the Debtors’ estates, while at the same time focusing on costs to ensure that the Debtors’ limited resources are being appropriately utilized.

4. I, as Senior Vice President and General Counsel, along with several other members of the Debtors’ senior management, am responsible for retaining and supervising outside counsel. I am familiar with the markets for professionals both in and out of bankruptcy, and, in particular, Davis Polk’s preeminent restructuring practice and its work as restructuring counsel to numerous chapter 11 debtors and distressed companies that successfully restructured in and out of court.

5. Beginning in March 2018, PPLP retained Davis Polk to advise the Company on restructuring options under consideration. As the Debtors faced growing challenges related to the thousands of lawsuits pending against the Company, Davis Polk provided restructuring advice along with a broad array of other strategic and general corporate advice.

6. In preparation for the Chapter 11 Cases, the Debtors did not consider any other law firms for the role of restructuring counsel given Davis Polk’s extensive knowledge and experience with the Debtors, as well as their substantial experience representing debtors in chapter 11 cases.

7. Since 2018, Davis Polk has advised the Debtors on various restructuring issues, including both in-court and out-of-court strategies. During that time, Davis Polk has become intimately familiar with the Debtors' businesses and many of the potential legal issues that may arise in the context of the Chapter 11 Cases. I believe, for this reason, as well as because of Davis Polk's extensive experience in corporate reorganizations, that Davis Polk is both well-qualified and uniquely suited to represent the Debtors in the Chapter 11 Cases in an efficient and timely manner.

**Rate Structure and Cost Supervision**

8. Davis Polk has informed the Debtors that its billing rates and the material terms of the engagement are lower than or comparable to (a) Davis Polk's standard rates and the material terms for non-bankruptcy engagements and (b) the billing rates and terms of other comparably skilled counsel.

9. The Debtors understand that it is their responsibility to track their professionals' billing practices to be sure that the fees and expenses the estates pay are fair and reasonable, and the Debtors will review the fee statements of Davis Polk and of all of the Debtors' other professionals to ensure that continues to be the case.

10. Davis Polk and the Debtors are in the process of developing a prospective budget and staffing plan for the period from the Petition Date through January 15, 2020. I will review and work with Davis Polk on the budget and staffing plan. I also understand that, in the course of large chapter 11 cases such as these, it is likely that there will be unforeseen issues that the Debtors and Davis Polk will need to address.

11. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

3. Davis Polk is hereby authorized to render, *inter alia*, the following professional services:
  - a. Preparing, on behalf of the Debtors, all necessary or appropriate motions, applications, objections, replies, answers, orders, reports and other papers in connection with the administration of the Debtors' estates;

4. Davis Polk shall apply for compensation for its services and reimbursement for any reasonable and necessary expenses and disbursements in accordance with the rates (as may be adjusted from time to time) and disbursement policies as set forth in the Application and the Huebner Declaration and in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules and any other applicable order of the Court. 5. The balance of the Retainer shall be treated as an evergreen retainer and held by Davis Polk as security throughout the Chapter 11 Cases.

9. To the extent that there may be any inconsistency between the terms of the Application, the Huebner Declaration, the Kesselman Declaration and this Order, the terms of this Order shall govern.

10. The Debtors and Davis Polk are authorized to take all such actions as are necessary or appropriate to implement the terms of this Order.

11. The Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation and enforcement of this Order.
